

www.rmda.org

The Rocky Mountain Dart Association, (RMDA), is a nonprofit organization with the purpose of promoting the sport of steel-tip darts in the Denver Metro Area. Each season, we have anywhere from 500 to 600 active members, ranging from Beginners to Masters. We also hold several dart tournaments throughout the year, giving anyone interested in darts plenty of opportunities to play.

On March 2nd through 4th, 2018, the RMDA is hosting the **Shamrock Classic Steel-Tip Dart Tournament** at the Mirage Sports Bar in Littleton. This 3-day tournament will pay out a total of \$10,00 and is open to all levels of players. We've also included a youth event on the morning of the 3rd.

The RMDA would like to offer this occasion to promote our local area businesses. Throughout the weekend, there will be local, regional, and national dart players and their families that may need your services. If you would like to let them know what you have to offer and help support the Shamrock Classic, we have a few opportunities to advertise your business at this tournament.

1. Board Sponsorships: You can advertise your business on an 11"h x 17"w color poster that will hang under one of the dartboards during the tournament. Cost is \$50/per board.
2. Vendor Space: We are selling vendor space at \$50 per table for the weekend/\$25 for one day. If you'd like to add a board sponsorship, along with a weekend vendor space, you can buy both for \$75.
3. Event Sponsorships: For even more exposure, you may choose to sponsor one or more of the events in the tournament. That event would carry your name. The actual cost of event sponsorship depends on the choice of event.

If this interests you and you would like to advertise your business, please contact us. We appreciate any help you can provide.

Thank you,
